Dear Ian,

I hope this message finds you well. I am writing to extend an invitation for you to join us as a distinguished speaker at two upcoming events: CryptoRNC and CryptoDNC. These events are scheduled to be held during the Republican and Democratic National Conventions in **Milwaukee from July 15-18**, and in **Chicago from August 19-22**, respectively.

We are dedicated to advancing the understanding and beneficial applications of decentralized technologies and cryptocurrencies within public policy. Our mission is to foster dynamic dialogue and partnership between US policymakers and private industry leaders.

Given your history in this field, we believe your participation would greatly enhance our discussions and contribute significantly to our mission. We would be honored if you could share your insights and knowledge with our attendees.

Could you please let us know your availability for these dates and if you would be interested in this opportunity? We are excited about the possibility of having you with us and look forward to your positive response.

Thank you for considering this invitation. I look forward to hearing from you soon.

Best regards,

Hey Cullah,

Thanks so much for the invitation. I would love to help out with this mission during the DNC. Is this through ETHChicago, too? Have you asked any of the rest of the team?

As far as availability goes, Only day I couldn't do is Monday Aug 19th - I will be flying back from a conference. However, I can take off whenever during the rest of the week if need be. I know the events may be during the day. Do you know what days that you're looking at?

Let me know some more info and details. Thanks for thinking of me!

Thanks a bunch,
Nelson
